CHAMPS – After school group

CHAMPS is a 6 week program for children aged 8-12 who have a parent or parents with a mental health issue including children who do not live with their birth parents.

Facilitated by workers from Uniting and FaPMI (Families where a Parent has a Mental Illness), the program aims to:

- Have fun with games, activities and snacks.
- Give children the opportunity to meet others in a similar circumstance.
- Provide information and support on mental health and its impact on families
