PRODUCT CATALOGUE

We make it easy.

Here at Direct Link Furniture, our team know that our existence is based on finding ways to make our client's lives easier, we want to exceed your expectations.

We want to streamline the way you source and supply furniture and home-wares. The greater the complexity and urgency the more you will love us.

By appropriate sourcing and operational improvement, we want to help you reduce your costs and ensure the process is super-smooth, which in turn saves you time.

Our strong and long-standing relationships with our manufacturers and suppliers, means we are able to source quality furniture and home-wares at great prices. We help you put together the furniture packages you require, from mattresses to bedroom linen, sofas and coffee tables to anything for the kitchen and dining areas, including White-goods and utensils. We are here to take care of it all.

Let us be your link to affordable quality furniture and all items required throughout the home.
