ABOUT US

Koala Babies is an 8-week group for mothers and their infants 0-18 months, who have experienced family violence and live within the Bayside Peninsula area. The program provides a supportive and safe infant friendly setting to strengthen the bond between mother and child through play.

WHAT CAN YOU EXPECT FROM THE GROUP?

Meeting other mums and their babies who have also experienced family violence.

Increased understanding of your baby's behaviours and emotions.

More confidence in your role as a mother.

A stronger bond between child and mother.

Play, singing and most importantly fun!
