

## ***Koala Babies Mother and Infant Group***

### WHEN/ WHERE

The group runs throughout school the term

- For information on a current group running please contact us.
- Available locations - St Kilda and Frankston areas

### ABOUT US

Koala Babies is an 8 week group for mother's and their infants 0-18mths who have experienced family violence.

The program provides a supportive and safe infant friendly setting through a therapeutic approach, to strengthen the bond between mother and child through play.

### WHAT CAN YOU EXPECT FROM THE GROUP?

Meeting other mums and their babies who have also experienced family violence.

Increased understanding of your baby's behaviours and emotions. More confidence in your role as a mother.

A stronger bond between child and mother.

Play, singing and most importantly fun!
